### **1.2 CONTRACT SCOPE AND MODIFICATIONS**

The OSP reserves the right to modify this Contract by mutual agreement between the OSP and the Contractor, so long as such modification is substantially within the scope of the original Contract. Such modifications will be evidenced by issuance of a written authorized amendment by the Contract Administrator.

### **1.3 RECITALS**

The state of Washington, acting by and through the State Procurement Office (OSP), desires to establish this contract for the purpose of purchasing mechanical door hardware products.

The OSP has determined that entering into a Contract with Stanley Security Solutions, Inc. will meet Purchaser's needs and will be in Purchaser's best interest. This Contract has been established through direct negotiation as a single source of supply contract as authorized under Washington State law RCW 43.19.1906(3).

NOW THEREFORE, OSP awards to Stanley Security Solutions, Inc. this Contract, the terms and conditions of which shall govern Contractor's furnishing to Purchasers mechanical door hardware. This Contract is not for personal use.

IN CONSIDERATION of the mutual promises as hereinafter set forth, the parties agree as follows:

### **1.4 ESTIMATED USAGE**

Based on past and/or projected needs, it is estimated that purchases over the initial approximate two (2) year term of the Contract may approximate a total of \$500,000. (Purchases by Washington State Agencies, colleges and universities have been about 60% and purchases by participating political subdivisions have been about 40% of total purchases). Orders will be placed only on an as needed basis.

**The State of Washington does not represent or guarantee any minimum purchase.**

### **1.5 CONTRACT TERM**

The initial term of this contract is from the date of last signature through November 30, 2012, with the option to extend for additional term(s) or portions thereof. Such notification shall include relevant provisions and details of the pricing agreements or contracts necessary to enable the OSP to fully evaluate the greater benefits or lower pricing provided under those agreements or contracts. In addition to Contractor amending this contract to reflect the greater benefits or lower pricing provided in other pricing agreements or contracts, Contractor shall apply the related greater benefits or lower pricing retroactively to the date of such pricing agreements or contracts for all purchases under this contract.

#### 3.3 PRICE ADJUSTMENTS

Contractor requests for adjustments in the level of discount off the reference manufacturer's price list will be considered at sole discretion of the OSP only after expiration of the current term of the contract, and then on a pass through basis only that does not produce a higher profit margin for Contractor than that established by the original contract pricing.

**Contractors shall not make extensions contingent on price adjustments.**

A deduction in the price discount or a price increase will not be considered without supporting documentation sufficient to justify the requested increase. Documentation must be the result of cost increases incurred after contract commencement date. Contractor shall provide a detailed breakdown of their costs upon request. The grant of any price adjustment will be at the sole discretion of the OSP and, if granted, shall not produce a higher profit margin for the Contractor than that established by the original contract pricing. The Contractor shall be notified in writing by the Contract Administrator of any price adjustment granted by the OSP, and such price adjustment shall be set forth in a written amendment to the contract. Price adjustments granted by the OSP shall remain unchanged for at least one year (365 calendar days), and no request for adjustments in price will be considered during that time period.

The Contractor shall verify specific working hours of individual Purchasers and instruct carrier(s) to deliver accordingly. The acceptance by the Purchaser of late performance, with or without objection or reservation by the Purchaser, shall not waive the right to claim damage for such breach, nor preclude the OSP or Purchaser from pursuing any other remedy provided herein, including termination, nor shall such acceptance of late performance constitute a waiver of the requirements for the timely performance of any obligation remaining to be performed by Contractor.

All deliveries are to be made to the applicable delivery location as indicated in the Order Document. When applicable, the Contractor shall take all necessary actions to safeguard items during inclement weather. In no case shall the Contractor initiate performance prior to receipt of written or verbal authorization from authorized Purchasers. If there are any apparent defects in the materials, supplies, or equipment at the time of delivery, the Purchaser will promptly notify the Contractor. Without limiting any other rights, the Purchaser may require the Contractor to: (1) repair or replace, at Contractor's expense, any or all of the damaged goods; (2) refund the price of any or all of the damaged goods; or (3) accept the return of any or all of the damaged goods for full refund.

Additionally, each container of hazardous materials must be appropriately labeled with:

1. The identity of the hazardous material,
2. Appropriate hazard warnings, and
3. Name and address of the chemical manufacturer, importer, or other responsible party

Labor and Industries may levy appropriate fines for noncompliance and agencies may withhold payment-pending receipt of a legible copy of MSDS. If an adjustment in payment is necessary due to damage or dispute, any prompt payment discount period shall commence on the date final approval for payment is authorized.

Under Chapter 39.76 RCW, if Purchaser fails to make timely payment(s), Contractor may invoice for 1% per month on the amount overdue or a minimum of \$1.00. Payment will not be considered late if a check or warrant is mailed within the time specified. If no terms are specified, net 30 days will automatically apply. Payment(s) made in accordance with Contract terms shall fully compensate the Contractor for all risk, loss, damages or expense of whatever nature and acceptance of payment shall constitute a waiver of all claims submitted by Contractor. If the Purchaser fails to make timely payment(s) or issuance of credit memos, the Contractor may impose a 1% per month on the amount overdue.

Payment for materials, supplies and/or equipment received and for services rendered shall be made by Purchaser and be redeemable in U.S. dollars. The State's sole responsibility shall be limited to maintaining the above data in a secure area and to notify Contractor of any request(s) for disclosure for so long as the OSP retains Contractor's information in the OSP records. Failure to so label such materials or failure to timely respond after notice of request for public disclosure has been given shall be deemed a waiver by Contractor of any claim that such materials are exempt from disclosure.

## **8.4 NON-ENDORSEMENT AND PUBLICITY**

Neither the OSP nor the Purchasers are endorsing the Contractor's Products or Services, nor suggesting that they are the best or only solution to their needs. If an insurer is not admitted, all insurance policies and procedures for issuing the insurance policies must comply with Chapter 48.15 RCW and Chapter 284-15 WAC.

**Excess Coverage:**

The limits of all insurance required to be provided by the Contractor shall be no less than the minimum amounts specified. However, coverage in the amounts of these minimum limits shall not be construed to relieve the Contractor from liability in excess of such limits.

**Limit Adjustments:**

The state reserves the right to increase or decrease limits as appropriate.

#### **9.8 INDUSTRIAL INSURANCE COVERAGE**

The Contractor shall comply with the provisions of Title 51 RCW Industrial Insurance. If the Contractor fails to provide industrial insurance coverage or fails to pay premiums or penalties on behalf of its employees as may be required by law, the OSP may terminate this Contract. This provision does not waive any of the Washington State Department of Labor and Industries (L&I) rights to collect from the Contractor.

#### **9.9 NONDISCRIMINATION**

During the performance of this Contract, the Contractor shall comply with all applicable federal and state nondiscrimination laws, regulations and policies, including, but not limited to, Title VII of the Civil Rights Act, 42 U.S.C. section 12101 et. seq.; the Americans with Disabilities Act (ADA); and, Chapter 49.60 RCW, Discrimination – Human Rights Commission.

#### **9.10 OSHA AND WISHA REQUIREMENTS**

Contractor further agrees to indemnify and hold harmless OSP and Purchaser from all damages assessed against Purchaser as a result of Contractor's failure to comply with those laws, standards and regulations, and for the failure of the items furnished under the Contract to so comply.

#### **9.11 ANTITRUST**

The state maintains that, in actual practice, overcharges resulting from antitrust violations are borne by the Purchaser. Therefore, the Contractor hereby assigns to the State of Washington any and all of the Contractor's claims for such price fixing or overcharges which arise under federal or state antitrust laws, relating to the materials, supplies, services and/or equipment purchased under this Contract.

#### **9.12 WAIVER**

Failure or delay of the OSP or Purchaser to insist upon the strict performance of any term or condition of the Contract or to exercise any right or remedy provided in the Contract or by law; or the OSP's or Purchaser's acceptance of or payment for materials, supplies, services and/or equipment, shall not release the Contractor from any responsibilities or obligations imposed by this Contract or by law, and shall not be deemed a waiver of any right of the OSP or Purchaser to insist upon the strict performance of the entire agreement by the Contractor. In the event of any claim for breach of Contract against the Contractor, no provision of this Contract shall be construed, expressly or by implication, as a waiver by the OSP or Purchaser of any existing or future right and/or remedy available by law.

## **10. DISPUTES AND REMEDIES**

### **10.1 PROBLEM RESOLUTION AND DISPUTES**

Problems arising out of the performance of this Contract shall be resolved in a timely manner at the lowest possible level with authority to resolve such problem. If a problem persists and cannot be resolved, it may be escalated within each organization.

In the event a bona fide dispute concerning a question of fact arises between OSP or the Purchaser and Contractor and it cannot be resolved between the parties through the normal escalation processes, either party may initiate the dispute resolution procedure provided herein.

The initiating party shall reduce its description of the dispute to writing and deliver it to the responding party. The responding party shall respond in writing within three (3) Business Days. The initiating party shall have three (3) Business Days to review the response. If after this review a resolution cannot be reached, both parties shall have three (3) Business Days to negotiate in good faith to resolve the dispute.

If the dispute cannot be resolved after three (3) Business Days, a Dispute Resolution Panel may be requested in writing by either party who shall also identify the first panel member. Within three (3) Business Days of receipt of the request, the other party will designate a panel member. Those two panel members will appoint a third individual to the Dispute Resolution Panel within the next three (3) Business Days.

The Dispute Resolution Panel will review the written descriptions of the dispute, gather additional information as needed, and render a decision on the dispute in the shortest practical time.

Each party shall bear the cost for its panel member and share equally the cost of the third panel member.

Both parties agree to exercise good faith in dispute resolution and to settle disputes prior to using a Dispute Resolution Panel whenever possible.

Unless irreparable harm will result, neither party shall commence litigation against the other before the Dispute Resolution Panel has issued its decision on the matter in dispute.

OSP, the Purchaser and Contractor agree that, the existence of a dispute notwithstanding, they will continue without delay to carry out all their respective responsibilities under this Contract that are not affected by the dispute.

If the subject of the dispute is the amount due and payable by Purchaser for materials, supplies, services and/or equipment being provided by Contractor, Contractor shall continue providing materials, supplies, services and/or equipment pending resolution of the dispute provided Purchaser pays Contractor the amount Purchaser, in good faith, believes is due and payable, and places in escrow the difference between such amount and the amount Contractor, in good faith, believes is due and payable.

### **10.2 ADMINISTRATIVE SUSPENSION**

When it is in the best interest of the state, the OSP may at any time, and without cause, suspend the Contract or any portion thereof for a period of not more than thirty (30) calendar days per event by written notice from the Contract Administrator to the Contractor's Representative. Contractor shall resume performance on the next business day following the 30<sup>th</sup> day of suspension unless an earlier resumption date is specified in the notice of suspension. If no resumption date was specified in the notice of suspension, the Contractor can be demanded and required to resume performance within

the 30 day suspension period by the Contract Administrator providing the Contractor's Representative with written notice of such demand.

### **10.3 FORCE MAJEURE**

The term "force majeure" means an occurrence that causes a delay that is beyond the control of the party affected and could not have been avoided by exercising reasonable diligence. Force majeure shall include acts of God, war, riots, strikes, fire, floods, epidemics, or other similar occurrences.

Exceptions: Except for payment of sums due, neither party shall be liable to the other or deemed in breach under this Contract if, and to the extent that, such party's performance of this Contract is prevented by reason of force majeure.

Notification: If either party is delayed by force majeure, said party shall provide written notification within forty-eight (48) hours. The notification shall provide evidence of the force majeure to the satisfaction of the other party. Such delay shall cease as soon as practicable and written notification of same shall likewise be provided. So far as consistent with the Rights Reserved below, the time of completion shall be extended by Contract amendment for a period of time equal to the time that the results or effects of such delay prevented the delayed party from performing in accordance with this Contract.

Rights Reserved: The OSP reserves the right to authorize an amendment to this Contract, terminate the Contract, and/or purchase materials, supplies, equipment and/or services from the best available source during the time of force majeure, and Contractor shall have no recourse against the State.

### **10.4 ALTERNATIVE DISPUTE RESOLUTION FEES AND COSTS**

In the event that the parties engage in arbitration, mediation or any other alternative dispute resolution forum to resolve a dispute in lieu of litigation, both parties shall share equally in the cost of the alternative dispute resolution method, including cost of mediator or arbitrator. In addition, each party shall be responsible for its own attorneys' fees incurred as a result of the alternative dispute resolution method.

### **10.5 NON-EXCLUSIVE REMEDIES**

The remedies provided for in this Contract shall not be exclusive but are in addition to all other remedies available under law.

### **10.6 LIMITATION OF LIABILITY**

The parties agree that neither Contractor, OSP nor Purchaser shall be liable to each other, regardless of the form of action, for consequential, incidental, indirect, or special damages except a claim related to bodily injury or death, or a claim or demand based on patent, copyright, or other intellectual property right infringement, in which case liability shall be as set forth elsewhere in this Contract. This section does not modify any sections regarding liquidated damages or any other conditions as are elsewhere agreed to herein between the parties. The damages specified in the sections titled Termination for Default and Retention of Records are not consequential, incidental, indirect, or special damages as that term is used in this section.

Neither the Contractor, the OSP nor Purchaser shall be liable for damages arising from causes beyond the reasonable control and without the fault or negligence of the Contractor, the OSP or Purchaser. Such causes may include, but are not restricted to, acts of God or of the public enemy, acts of a governmental body other than the OSP or the Purchaser acting in either its sovereign or contractual capacity, war, explosions, fires, floods, earthquakes, epidemics, quarantine restrictions,

strikes, freight embargoes, and unusually severe weather; but in every case the delays must be beyond the reasonable control and without fault or negligence of the Contractor, the OSP or the Purchaser, or their respective Subcontractors.

If delays are caused by a Subcontractor without its fault or negligence, Contractor shall not be liable for damages for such delays, unless the Services to be performed were obtainable on comparable terms from other sources in sufficient time to permit Contractor to meet its required performance schedule.

Neither party shall be liable for personal injury to the other party or damage to the other party's property except personal injury or damage to property proximately caused by such party's respective fault or negligence.

#### **10.7 FEDERAL FUNDING**

6. A determination that the Contractor is in violation of federal, state, or local laws or regulations and that such determination renders the Contractor unable to perform any aspect of the Contract.

## **11.2 OPPORTUNITY TO CURE**

In the event that Contractor fails to perform a contractual requirement or materially breaches any term or condition, the OSP may issue a written cure notice. The Contractor may have a period of time in which to cure. The OSP is not required to allow the Contractor to cure defects if the opportunity for cure is not feasible as determined solely within the discretion of the OSP. Time allowed for cure shall not diminish or eliminate Contractor's liability for liquidated or other damages, or otherwise affects any other remedies available against Contractor under the Contract or by law.

If the breach remains after Contractor has been provided the opportunity to cure, the OSP may do any one or more of the following:

1. Exercise any remedy provided by law;
2. Terminate this Contract and any related Contracts or portions thereof;

The Contract Administrator shall notify the Contractor in writing of the need to take corrective action. If corrective action is not taken within thirty (30) calendar days or as otherwise specified by the Contract Administrator, or if such corrective action is deemed by the Contract Administrator to be insufficient, the Contract may be terminated. The Contract Administrator reserves the right to suspend all or part of the Contract, withhold further payments, or prohibit the Contractor from incurring additional obligations of funds during investigation of the alleged breach and pending corrective action by the Contractor or a decision by the Contract Administrator to terminate the Contract.

In the event of termination, the OSP shall have the right to procure for all Purchasers any replacement materials, supplies, services and/or equipment that are the subject of this Contract on the open market. In addition, the Contractor shall be liable for damages as authorized by law

including, but not limited to, any price difference between the original contract and the replacement or cover contract and all administrative costs directly related to the replacement contract, e.g., cost of the competitive bidding, mailing, advertising and staff time.

If it is determined that: (1) the Contractor was not in material breach; or (2) failure to perform was outside of Contractor's or its Subcontractor's control, fault or negligence, the termination shall be deemed to be a "Termination for Convenience". The rights and remedies of the OSP and/or the Purchaser provided in this Contract are not exclusive and are in addition to any other rights and remedies provided by law.

#### **11.4 TERMINATION FOR CONVENIENCE**

Except as otherwise provided in this Contract, the OSP, at the sole discretion of the Contract Administrator, may terminate this Contract, in whole or in part by giving thirty (30) calendar days written notice beginning on the second day after mailing to the Contractor. If this Contract is so terminated, Purchasers shall be liable only for payment required under this Contract for properly authorized services rendered, or materials, supplies and/or equipment delivered to and Accepted by the Purchaser prior to the effective date of Contract termination. In the event this Contract is so terminated, the OSP and /or Purchaser shall be entitled to pursue the same remedies against Contractor as it could pursue in the event that the Contractor breaches this Contract.

#### **11.7 TERMINATION BY MUTUAL AGREEMENT**

The OSP and the Contractor may terminate this Contract in whole or in part, at any time, by mutual agreement.

#### **11.8 TERMINATION PROCEDURE**

In addition to the procedures set forth below, if the OSP terminates this Contract, Contractor shall follow any procedures the Contract Administrator specifies in the termination notice.

Upon termination of this Contract and in addition to any other rights provided in this Contract, Contract Administrator may require the Contractor to deliver to the Purchaser any property specifically produced or acquired for the performance of such part of this contract as has been terminated. The provisions of the "Treatment of Assets" clause shall apply in such property transfer.

The Purchaser shall pay to the Contractor the agreed upon price, if separately stated, for completed work and service(s) Accepted by the Purchaser, and the amount agreed upon by the Contractor and the Purchaser for (i) completed materials, supplies, services rendered and/or equipment for which no separate price is stated, (ii) partially completed materials, supplies, services rendered and/or equipment, (iii) other materials, supplies, services rendered and/or equipment which are Accepted by the Purchaser, and (iv) the protection and preservation of property, unless the termination is for cause, in which case the OSP and the Purchaser shall determine the extent of the liability of the Purchaser. Failure to agree with such determination shall be a dispute within the meaning of the "Disputes" clause of this contract. The Purchaser may withhold from any amounts due the Contractor such sum as the Contract Administrator and Purchaser determine to be necessary to protect the Purchaser against potential loss or liability.

The rights and remedies of the OSP and/or the Purchaser provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this contract.

1. Stop all work, order fulfillment, shipments, and deliveries under the Contract on the date, and to the extent specified, in the notice;
2. Place no further orders or subcontracts for materials, services, supplies, equipment and/or facilities in relation to the Contract except as is necessary to complete or fulfill such portion of the Contract that is not terminated;
